to this trust by the Settler, or any other person whatsoever as under these presents provided upon the following uses and trusts, viz.

To use the corpus of the trust for setting up the educational institutions/schools/colleges for imparting education/training to children and other objects as stated in para 1 supra.

To use the net income of the Trust property for awarding periodical or occasional scholarships or prizes to children or in donations or grants to Schools or other educational bodies or to institutions or associations imparting similar education/training or towards such other charitable object or objects as the trustee may think fit and proper in their absolute discretion provided that, no part of the corpus or income of the trust property shall under any circumstances be given to any communal or sectarian object or association or on any communal or sectarian basis and aforesaid and as hereafter provided irrespective of consideration of any caste, creed, community or religion. To enable the trustees to fulfill the above object they will be entitled to fund scholarships or give prize or donations or make grants in any form for charitable purposes in the names of the Settler or in the name of any one or more of them or in the name of the trust itself.

If the said income or any part thereof is not at any time required or utilized for the purposes stated in clause (a), it shall form part of the corpus of the trust property and shall be utilized for carrying out the objects of this trust.

The expression "Net Income" shall mean the gross income less all expenses that trustees may incur for the realization, management and protection of the trust property including all expenses incurred for or in exercise of powers of the trustees herein provided.

The trustees shall from to time but within the limits prescribed by these presents, frame rules and/or regulation for the conduct and management of the trust property and for the conduct of their business including the summoning of meetings, provision for payment of reasonable remuneration for the services rendered by the trustees for day to day working of the trust including traveling allowance to the trustees and also regarding the qualification required to be possessed by a person who applied for help from this trust, the conditions if any, on which the moneys may be paid and repaid and such other matter relating to this trust as they may think necessary.

The trustees are authorized and shall have power to give the net income or any part thereof to one or more persons as provided in clause 2, on such
